### BUILT MY OWN START-UP: ZERO ERROR, BENGALURU | SEP15 - MAR17

Start-Up idea was to give doorstep two-wheeler servicing.

Role was to manage the tech section and the digital marketing section. Below task were done by me:

- Collaborated with a third-party vendor for creating Web Application and Android Application. Implemented the UI part with help of Photoshop, HTML & CSS
- Making banners and templates using photoshop.
- Created Decks and presented my idea on multiple platforms in Business Schools.
- We were successful to get a Seed Capitalist on our side.
